About UTS Law

UTS Law is a dynamic and innovative law school. We have achieved great success for the quality of legal education and research in a relatively short history.

Why study Law at UTS?

- Develop your curriculum vitae and get international experience by studying subjects from the UTS Master of Laws (LLM) in Sydney, Australia
- Receive credit toward the UTS LLM degree from any postgraduate level law subjects you have passed during the UTS Study Abroad program, once you have completed German Legal Practice requirements
- Choose from a wide range of law electives, or complete a single or double major in social and regulatory policy:
 - Corporate and Commercial Law
 - Dispute Resolution
 - Intellectual Property
- Develop global work-ready skills as our subjects prepare you to thrive in today's rapidly changing workplace
- Study in modern dedicated law facilities, including our purpose built simulated court facilities, computer labs and state-of-the-art group work spaces, conveniently located in the Sydney Central Business District
- Learn from influential industry experts and internationally and nationally renowned academics at UTS where our research was assessed by the Australian Government as being 'above world class' in its 2015 Excellence in Research for Australia (ERA initiative)

Postgraduate Law Study Abroad students are required to take at least **one weekly mode** class per session, and **no more than one online mode class**. Please check your timetable to ensure block mode classes do not occur in the same period.

Find out the days and times lecture and classes will take place via the 2022 Timetable Planner timetable.uts.edu.au for information on subject content and assessment requirements, take a look at the online **UTS Handbook** handbook.uts.edu.au

“My favourite lecturers are very distinguished, well published academics. They aren’t afraid to take questions in class, even questions from left-field. They also try to incorporate more inclusive, pedagogical technique like activities, role-plays, which you often don’t see at Masters level.”
