If you need to take a course that is not on this list, please contact registrar@hpu.edu.

Our introductory courses start at level 1000. Course difficulty increases with higher codes. If you do not have a background in the field, please consider taking lower level courses. **Graduate students cannot enroll in undergraduate courses and vice versa - students are not able to register for a mix of classes on the graduate and undergraduate levels.**

IMPORTANT NOTE:

- Visiting students cannot take courses on a military base—instead, students may take courses at the Downtown, Hawaii Loa, or Waimanalo/Makapuʻu campuses.
- If you plan to receive government funding or your home university has specific course requirements, it is your responsibility to make sure the courses you select at HPU will be approved.
- Actual availability of courses may change. Since there are sometimes several schedule options for one course, you must make sure your course schedule fulfills any relevant requirements.
- In order to obtain approval of these courses on the list from their respective Department Head/Program Chair, we would need your official transcripts (in English) and course descriptions.

INTERNATIONAL STUDENT GUIDELINES

- International students *must* take courses that are 16 weeks in length. No part-term (8A or 8B) courses will be approved.
- All international students are required by U.S. visa regulations to be enrolled full-time:
  - Bachelor (or 'undergraduate') level minimum: 12 credits
  - Master (or 'graduate') level minimum: 9 credits
- International undergraduate students enrolled in 12 credits (9 credits for graduate) may take only one online course per semester.

NORWEGIAN STUDENTS   Lånekassen will typically **NOT** approve online or 1000 level courses; you must be enrolled in a full course load of 15 credits.
