If you need to take a course that is not on this list, please contact [visiting@hpu.edu](mailto:visiting@hpu.edu).

Our graduate courses start at level 6000. Course difficulty increases with higher codes. If you do not have a background in the field, please consider taking lower level courses. **Graduate students cannot enroll in undergraduate courses and vice versa- students cannot mix levels.**

## **IMPORTANT NOTE:**

- Visiting students cannot take courses on a military base—instead, students may take courses at the Downtown and Hawaii Loa campuses.
- If you plan to receive government funding or your home university has specific course requirements, it is your responsibility to make sure the courses you select at HPU will be approved.
- *Actual availability of courses may change. Since there are sometimes several schedule options for one course, you must make sure your course schedule fulfills any relevant requirements.*
- In order to get approval of these courses on the list from their respective Department Head/Program Chair, we would need your official transcripts (in English) and course descriptions (if any).

## **INTERNATIONAL STUDENT GUIDELINES**

- International students *must* take courses that last for the entire semester. No part-term (8A or 8B) courses will be approved
- All international students are required by U.S. visa regulations to be enrolled full-time:
  - Bachelor (or 'undergraduate') level minimum: 12 credits
  - Master (or 'graduate') level minimum: 9 credits
- International undergraduate students enrolled in 12 credits (9 credits for graduate) may take only one online course per semester

**\*\*NORWEGIAN STUDENTS\*\*** Lånekassen will typically **NOT** approve online courses, you must be enrolled in a full course load of 9 credits.
