IMPORTANT NOTE:

- Visiting students cannot take courses on a military base—instead, students may take courses at the Downtown, Hawaii Loa, or Oceanic Institute campuses.
- If you plan to receive government funding or your home university has specific course requirements, it is your responsibility to make sure the courses you select at HPU will be approved.
- *Actual availability of courses may change. Since there are sometimes several schedule options for one course, you must make sure your course schedule fulfills any relevant requirements.*

INTERNATIONAL STUDENT GUIDELINES

- International students *must* take courses that last for the entire semester. No part-term (8A or 8B) courses will be approved
- All international students are required by U.S. visa regulations to be enrolled full-time:
 - Bachelor (or 'undergraduate') level minimum: 12 credits
 - Master (or 'graduate') level minimum: 9 credits
- International undergraduate students enrolled in 12 credits (9 credits for graduate) may take only one online course per semester

****NORWEGIAN STUDENTS**** Lånekassen will typically **NOT** approve online or 1000 level courses; you must be enrolled in a full course load of 15 credits.
