

Why choose RMIT?

RMIT University is a global university of technology, design and enterprise

RMIT is a global university of technology, design and enterprise. Established in 1887, we are one of the top universities in Melbourne and one of Australia's oldest tertiary institutions. RMIT is ranked among the world's best universities in 28 of 43 assessed subject areas featured in the 2022 QS World University Rankings by Subject.

Committed to sustainability

RMIT has won the most Green Gown Awards of any institution in Australasia, winning awards for facilities and services, institutional change, carbon reduction and benefiting society. Most recently RMIT won the 2021 Green Gown awards for Climate Action and Circular Economy.

Champion of inclusion

RMIT has won awards at the Australian LGBTIQ Inclusion Awards since 2019, including a Platinum Employer award in 2022. The awards recognise organisations around the country that foster and support diverse communities.

World leading facilities

RMIT is home to many facilities that pave the way for industry advancement, including the world-first Blockchain Innovation Hub, Australia's first university cloud supercomputing facility, and the first electric vehicle research facility of its kind in the Southern Hemisphere.

Empowering our communities

In 2021, RMIT Activator launched Trade Routes: a program that works with Indigenous businesses to build their capacity and ready them for international expansion. Co-designed with Indigenous businesses and community leaders, the program is the first of its kind in Australia.
