

International course guide

2022

BRISBANE
AUSTRALIA

**the university
for the real world[®]**

QUT acknowledges the Turrbal and Yugara, as the First Nations owners of the lands where QUT now stands. We pay respect to their Elders, lores, customs and creation spirits. We recognise that these have always been places of teaching, research and learning. QUT acknowledges the important role Aboriginal and Torres Strait Islander people play within the QUT community.

QUT – the university for the real world

QUT is a major Australian university with a global outlook and a real-world focus. We offer a diverse and multicultural environment in which to study, with more than 50 000 students, including international students from more than 140 countries. QUT is committed to providing real world learning experiences and research solutions, and our courses have a balanced mix of theory and practical experiences such as internships and placements.

Our strengths include award-winning teaching, relevant research that benefits the community, a commitment to entrepreneurship and creativity, high student satisfaction and excellent graduate employment outcomes.

We live in a world that is constantly changing, and QUT remains ready to capitalise on the opportunities that change brings. Our international students both here in Brisbane and in their home countries, have embraced and benefited from QUT's agility and flexible support, which enabled them to continue their pursuit of a high-quality education even when confronted with significant global restrictions.

Your world-class education at QUT will prepare you for the ever-changing world of work and for your future. We look forward to welcoming you to the QUT community soon.

Professor Scott Sheppard
Deputy Vice-Chancellor and
Vice-President (International)

Sara Cheung

Bachelor of Business (Marketing)

At QUT, I have encountered amazing mentors who have all brought me new challenges and many opportunities. I am proud to have studied at QUT and excited to use my university skills in my new job at Apple.

Read about Sara's success story and how she landed a job at Apple

Get ready for your future career

We know that a bright future begins with an experience that teaches you to question, to innovate and to collaborate. As a QUT graduate, you'll be in high demand. Here's why.

Innovative course design

With industry and government partners involved in course design, our degrees reflect the latest global thinking and standards.

Practical learning, technology centred

Practise first in our industry-standard labs, workshops, studios and clinics with technology used by professionals. Or work on simulations and real projects. Practical learning starts from your very first semester in some of our courses.

Teaching staff who are industry leaders

Want to know what's happening in your industry or profession? Looking for contacts to arrange work experience? Our courses are taught by full-time academic staff alongside part-time lecturers and tutors who are working in the field. This means they'll share their real-life examples and keep you in the loop about opportunities for projects, work experience and internships.

Work integrated learning (WIL)

Work experience can make a big difference when you're applying for your dream job. We build work integrated learning units into your course so you'll have opportunities to work with an organisation in your field, build important networks and learn what your future career could really be like.

Develop your entrepreneurial capability

Do you have a business idea or an interest in start-ups? Are you eager to make a difference in the world or develop new skills? Don't wait until you graduate. We will empower you to bring your ideas to life by developing your entrepreneurial mindset and practice in programs, at events and through mentoring.

Connect with like-minded others in our foundry spaces at both Gardens Point and Kelvin Grove. Join our in-person and virtual community of entrepreneurial thinkers and doers. You can access QUT Orbit for information and advanced entrepreneurial programs such as Start, Fuel and Ignite. Be mentored by our entrepreneur-in-residence and community managers. Participate in networking and collaboration opportunities.

We offer a range of events to help you realise your entrepreneurial capabilities, including our regular Pitch Nights, Community Coffees, and Lunch and Learns, as well as major programs in collaboration with our partners.

Visit qut.edu.au/engage/entrepreneurship

Develop your employability

Career preparation starts well before your final year. We'll support you with:

- access to an extensive job vacancies database
- online application and resumé service
- success coaching
- drop-in career sessions
- workshops and online modules for career planning, decision making and application skills
- annual careers fairs and regular employer presentations
- career mentor program
- work integrated learning placements
- opportunities to connect to your profession and develop networking skills.

Your campuses. Your community.

On the east coast of Australia, Brisbane is the capital of Queensland—the Sunshine State—and home to more than 95,000 international students. With a population of more than 2.4 million, Brisbane is one of Australia’s fastest-growing capital cities for employment and offers a range of opportunities in both the public and private sectors. Brisbane is also one of Australia’s most affordable metropolitan cities, meaning your dollar will go further studying here.

QUT has two inner-city campuses that put you in the middle of the action. Gardens Point is right in the city centre, beside the Brisbane River and City Botanic Gardens. Our Kelvin Grove campus is just three kilometres from the city and is part of the Kelvin Grove Village.

Our students have access to study and community facilities including:

- libraries
- computing labs
- counselling and medical centres
- cultural precincts and exhibition spaces
- cafés and food courts
- bookshops and general stores
- licensed bars
- swimming pools
- fitness and sporting facilities.

With sunny weather all year round, Brisbane is perfect for outdoor activities. Brisbane is also a safe and welcoming city. It hosts the Lord Mayor’s International Student Friendship Ceremony—which has extended the hand of friendship to more than 10,000 students.

Explore the university for the real world with 360° videos and 3D tours of our campuses and facilities

Living

Our inner-city campus locations mean there is no shortage of accommodation options—some right on QUT's doorstep. And with a great public transport network including buses, trains and ferries—as well as a free intercampus shuttle—getting around is easy too.

To help you get settled, our Accommodation Services team provides information about student accommodation and a vacancies database, as well as advice about finding the right place and tenancy matters you should know about.

There are three broad categories of student accommodation:

- student apartment complexes
- managed share-house accommodation
- rental property.

Life as an international
QUT student

If you are under 18

The Australian Department of Home Affairs requires that students under the age of 18 have appropriate accommodation, support and welfare arrangements in place before they start their studies at QUT.

Visit qut.edu.au/study/qut-college/under-18

Get involved in university life

QUT is a diverse place. It's also very welcoming. Make the most of what university life has to offer.

- Attend orientation to get your bearings, meet your lecturers and join the fun of barbeques, concerts and competitions.
- Join in with celebrations like Pasifika Night or Mid-Autumn Moon Festival, participate in fun runs or try out TEDxQUT.
- Play sport and stay fit with competitive or social sporting programs. This is an opportunity to enjoy our facilities including aquatic centres, a multipurpose sports stadium, an esports arena and a tennis centre.
- Make friends and be social with over 150 clubs and societies.

Gardens Point campus

Support to help you succeed

We're here to support you

If you are studying on campus or online you can rest assured you will always be supported. We can help you make the transition by supporting you with:

- preparatory information
- international orientation
- adjusting and settling into your studies
- advice and counselling
- social events and networking opportunities.

Support for your academic success is directly embedded in your course and also available outside of class. From getting feedback on assessment drafts to practising your presentation skills and learning how to better manage your time, you will have free access to language, learning and study support.

There are several self-help resources to assist you with keeping on top of your work, staying connected to your teachers and peers, and maintaining your study-life balance.

If you're struggling with any aspect of your life, our counsellors and welfare officers can provide you with free, professional and confidential services to support you while you're studying.

Visit qut.edu.au/study/student-life/support

HiQ

The main QUT Student Centre, known as HiQ, is the place to go for all general student services, technology support, library services and general enquiries. You can contact HiQ by chat, email, phone or face-to-face on campus.

Find out more about all our Student Support services

Real-world courses

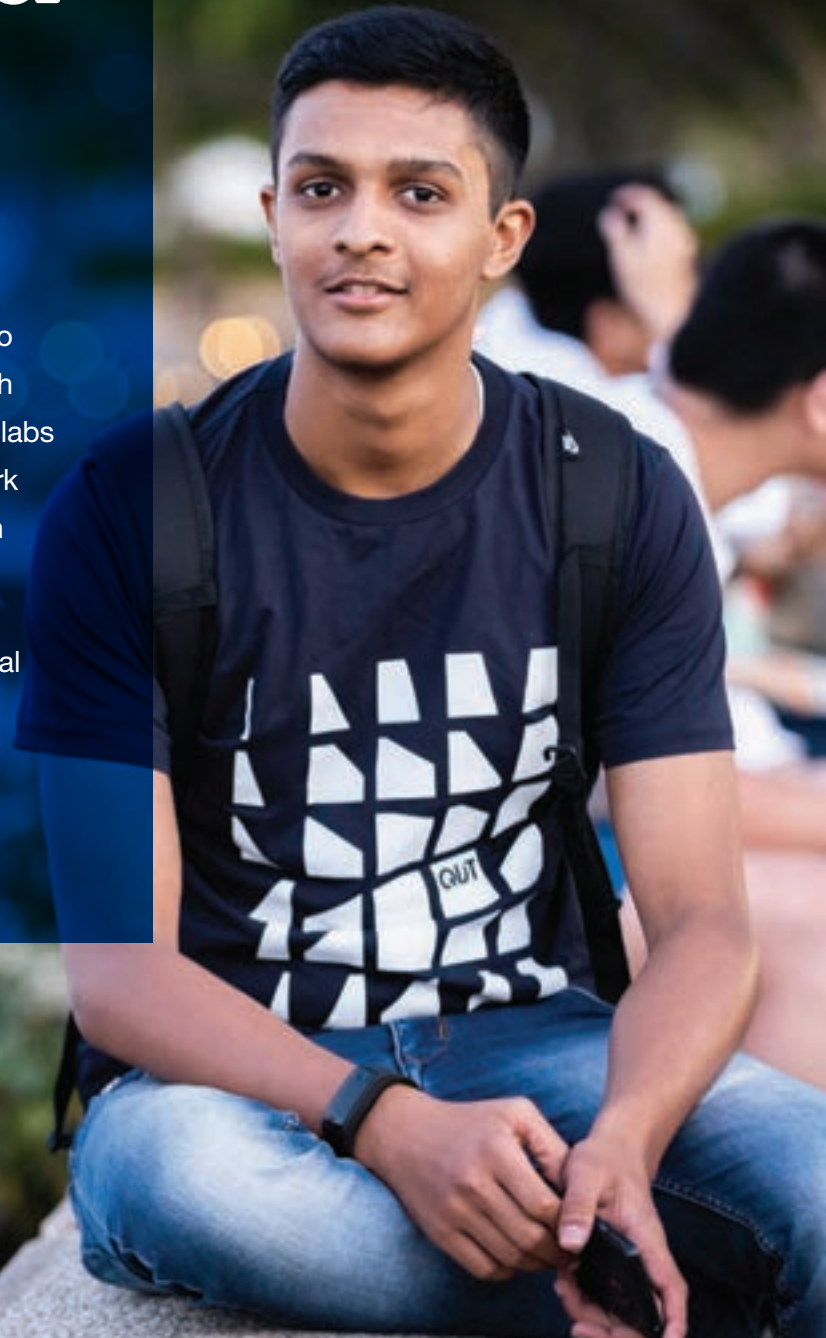

What do we mean when we say 'real world'?

We mean courses that give you real experience to support the theory so you can face the future with confidence. Use industry-standard equipment in labs and clinics. Work on real projects. Undertake work experience. Connect with employers. Develop an entrepreneurial approach.

We know what it takes, because QUT gets the real world like no other university.

Explore our courses now.

English for Academic Purposes 2 Standard	QC36	0100528	10 weeks	\$4500 per course	Mar, Jul, Nov	6
English for Academic Purposes 2 Extended	QC37	0100529	15 weeks	\$6750 per course	Feb, Jun, Oct	5.5 (5.5)
English for Academic Purposes 3 Standard	QC38	0100530	10 weeks	\$4500 per course	Mar, Nov	6.5 (LS6, RW6.5)
English for Academic Purposes 3 Extended	QC39	0100531	15 weeks	\$6750 per course	Feb, Oct	6.5 (RW6)
University Certificate in Tertiary Preparation for Undergraduate Studies	QC05	089122K	13 weeks	\$10 452 per course	Feb, Jul, Oct	6 (LS5, RW5.5)
University Certificate in Tertiary Preparation for Postgraduate Studies	QC06	089123J	13 weeks	\$10 452 per course	Feb, Jul, Oct	6 (LS5, RW5.5)
University wide						
Doctor of Philosophy	IF49	006367J		\$30 300 - \$36 800 per year full-time	Anytime	6.5 (6)
Master of Philosophy	IF80	095410G		2021: \$30 300 - \$36 800 per year full-time	Anytime	6.5 (6)

* Indicative fees per year

Entry requirements

Pathway and undergraduate programs

Below you'll find a guide to the minimum academic entry requirements for selected high school qualifications. Further qualifications are listed online within the Entry Requirements tab of the course you're interested in. For more information, visit qut.edu.au/study/applying/international-applying

Study area	QUT course	Course code	CRICOS	IELTS requirement	Pre-Requisites (a pass in Australian grade 12 or equivalent)	Additional entry requirements	General Certificate of Education (GCE) Advanced (A) Levels
Building and planning	Bachelor of Design (Architecture)	DE43	096565B	6.5(6.0)			8
	Bachelor of Urban Development (Honours) (Construction Management; Quantity Surveying and Cost Engineering)	UD01	080479J	6.5(6)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
Business	Bachelor of Urban Development (Honours) (Urban and Regional Planning)	UD01	080479J	6.5(6)			8
	Diploma in Business	BS40	081618F	5.5(5.0)			2
	Bachelor of Business (Advertising; Accountancy; Economics; Finance; Financial Planning; Human Resource Management; International Business; Management; Marketing; Public Relations)	BS05	003491G	6.5(6.0)			8
	Bachelor of Business (International) (Advertising; Accountancy; Economics; Finance; Financial Planning; Human Resource Management; International Business; Management; Marketing; Public Relations)	BS08	083019B	6.5(6.0)			10
Creative practice, communication and design	Bachelor of Property Economics	UD05	080478K	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
	Diploma in Creative Industries	IF06	081617G	5.5(5.0)			2
	Bachelor of Creative Industries (Creative and Professional Writing, Drama and Performance, Entertainment, Fashion Communication, Interactive and Visual Design, Media and Communication, Music and Sound, Screen content production)	KK43	056186M	6.5(6.0)			8
	Bachelor of Design (Fashion)	DE43	096565B	6.5(6.0)		Successful Portfolio	8
	Bachelor of Design (Industrial Design; Interaction Design; Interior Architecture; Landscape Architecture; Visual Communication)	DE43	096565B	6.5(6.0)			8
	Bachelor of Design - International (Fashion)	DE45	096566A	6.5(6.0)		Successful Portfolio	8
	Bachelor of Design - International (Architecture; Industrial Design; Interaction Design; Interior Architecture; Landscape Architecture; Visual Communication)	DE45	096566A	6.5(6.0)		Successful Portfolio	10
	Bachelor of Fine Arts (Animation; Drama; Film Screen and New Media; Technical Production)	KK34	056185A	6.5(6.0)			8
	Bachelor of Fine Arts (Acting; Dance; Dance Performance; Music)	KK34	056185A	6.5(6.0)		Successful Audition	8
	Bachelor of Fine Arts (Visual Arts)	KK34	056185A	6.5(6.0)		Successful Portfolio and Interview	8
Communication	Bachelor of Communication (Advertising and Public Relations; Digital Media; Entertainment Industries; Journalism, Professional Communication)	KC40	096577J	6.5(6.0)			8
	Bachelor of Fine Arts (Creative Writing)	KK34	056185A	6.5(6.0)			8
Education	Bachelor of Education (Secondary)	ED59	080477M	6.5(6)	English, or Literature, or English and Literature Extension, or English as an Additional Language (Units 3 & 4, C); and At least one of General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C); and At least one of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Marine Science, Physics or Psychology (Units 3 & 4, C).	Successful online questionnaire and two written statements	8
	Bachelor of Education (Primary)	ED49	080480E	6.5(6)	English, or Literature, or English and Literature Extension, or English as an Additional Language (Units 3 & 4, C); and At least one of General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C); and At least one of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Marine Science, Physics or Psychology (Units 3 & 4, C).	Successful online questionnaire and two written statements	8
	Bachelor of Education (Early Childhood)	ED39	080481D	6.5(6)	English, or Literature, or English and Literature Extension, or English as an Additional Language (Units 3 & 4, C); and At least one of General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C); and At least one of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Marine Science, Physics or Psychology (Units 3 & 4, C).	Successful online questionnaire and two written statements	8

Study area	QUT course	Course code	CRICOS	IELTS requirement	Pre-Requisites (pass in Australian grade 12 equivalent)	Additional entry requirements	General Certificate of Education (GCE) Advanced (A) Levels
Engineering	Diploma in Engineering	EN02	086329G	5.5(5.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		2
	Bachelor of Engineering (Honours) (Chemical Process, Civil, Computer and Software Systems, Electrical and Aerospace, Electrica, Mechanical, Mechatronics, Medical)	EN01	084921G	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
QUT College Pathway Programs	Intensive Program	QC07	098567F	6(5)			2
	Standard Foundation	QC08	065045E	5.5(5)			N/A
	Extended Foundation	QC09	050167G	5.5(5)			N/A
Health and community	Diploma in Health Science (Health Studies)	HL10	094986G	5.5(5)			2
	Diploma in Health Science (Nursing)	HL10	094986G	6(5.5)			2
	Bachelor of Behavioural Science (Psychology)	PY45	034136C	6.5(6)			8
	Bachelor of Biomedical Science	LS40	052768K	6.5(6)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Biology or Chemistry (Units 3 & 4, C)		8
	Bachelor of Clinical Exercise Physiology (Honours)	XN51	070085K	7(6.5)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Plus one of Chemistry, Physics or Biology (Units 3 & 4, C)		9
	Bachelor of Health Information Management	PU51	077705G	6.5(6)			8
	Bachelor of Human Services	SW03	058285C	6.5(6)			8
	Bachelor of Medical Laboratory Science	LS47	076173F	6.5(6)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Chemistry (Units 3 & 4, C)		8
	Bachelor of Medical Imaging (Honours)	CS48	080484A	7(6.5)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Physics (Units 3 & 4, C)		10
	Bachelor of Nursing	NS42	003501K	7(7)			8
	Bachelor of Nutrition Science	XN43	077703K	6.5(6)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Chemistry (Units 3 & 4, C)		8
	Bachelor of Nutrition and Dietetics (Honours)	XN45	080482C	7(6.5)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Chemistry (Units 3 & 4, C)		12
	Bachelor of Pharmacy (Honours)	CS47	089126F	7(6.5)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Chemistry (Units 3 & 4, C)		9
	Bachelor of Podiatry	CS44	077686F	7(6.5)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Chemistry (Units 3 & 4, C)		9
	Bachelor of Public Health	PU52	077691J	6.5(6)			8
	Bachelor of Social Work	SW04	063034B	7(7)			8
	Bachelor of Sport and Exercise Science	XN50	093231D	6.5(6)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Plus one of Chemistry, Physics or Biology (Units 3 & 4, C)		8
Bachelor of Vision Science	OP45	065380A	7(6.5)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Physics (Units 3 & 4, C) and Chemistry (Units 3 & 4, C)		12	
Law and justice	Bachelor of Justice	JS34	006117E	6.5(6)			8
	Bachelor of Laws (Honours)	LW36	083020J	6.5(6)			9
Information Technology	Diploma in Information Technology	IT10	081616G	5.5(5.0)			2
	Bachelor of Information Technology (Computer Science, Information Systems)	IN01	012656E	6.5(6.0)	Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
Science and Mathematics	Bachelor of Data Science	DS01	103170C	6.5(6.0)	Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
	Bachelor of Games and Interactive Environments (Animation, Game Design, Software Technologies)	IN05	092648J	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
	Bachelor of Mathematics (Applied and Computational Mathematics, Operations Research, Statistics)	MS01	049433D	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
	Bachelor of Science (Biological Sciences, Chemistry, Earth Science, Environmental Science, Physics)	ST01	077696D	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C)		8
	Bachelor of Science Advanced (Honours) (Biological Sciences)	ST20	102820D	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Biology (Units 3 & 4, B)		8
	Bachelor of Science Advanced (Honours) (Chemistry)	ST20	102820D	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Chemistry (Units 3 & 4, C)		10
	Bachelor of Science Advanced (Honours) (Earth Science, Environmental Science)	ST20	102820D	6.5(6.0)	General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C), one of Agricultural Science, Biology, Chemistry, Earth and Environmental Science, Marine Science or Physics (Units 3 & 4, B)		10
Bachelor of Science Advanced (Honours) (Physics)	ST20	102820D		General Mathematics, or Mathematical Methods, or Specialist Mathematics (Units 3 & 4, C) Physics (Units 3 & 4, B)		10	

Footnotes

This is a general guide. Please refer to QUT course requirements for details on subjects and calculations.

GCE-A levels General Certificate of Education (GCE) Advanced (A) Level aggregate score calculated from the best 3 subjects and may include a combination of Advanced, Advanced Supplementary, Advanced Subsidiary subjects with a minimum 2 A level subjects. Aggregate is calculated based on: A*(a*)=6, A(a)=5, B(b)=4, C(c)=3, D(d)=2, E(e)=1, U=0 for A level subjects; and A*(a*)=3, A(a)=2.5, B(b)=2, C(c)=1.5, D(d)=1, E(e)=0.5, U=0 for AS level subjects.

Canada These are the required overall scores from Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland & Labrador, Nova Scotia, Prince Edward, Quebec and Saskatchewan high school diplomas. Please refer to our website for specified subject levels.

China GAOKAO percentage average in best 4 academic subjects .GAOKAO score converted to percentage using Chinese, English/Foreign Language, Mathematics and one other subject (excluding Technology). Percent is the [sum of scores attained for the four units] / [sum of maximum grades for the four units].

Germany German Abitur: Zeugnis der Allgemeinen Hochschulreife overall grade point average on 6-point scale (where 1 is best).

- Hong Kong** HKDSE aggregate score over the five best subjects (across Core and category A or C electives). Please refer to us for calculation.
- India - CBSE** All India Senior School Certificate in academic stream or Indian School Certificate in academic stream overall average in best five academic subjects (two languages and three academic subjects), excluding physical education.
- India - State** QUT recognised Senior/Higher Secondary School Certificate/Pre-University certificate in academic stream overall average in best five academic subjects (two languages and three academic subjects), excluding physical education.
- Indonesia** Sekolah Menengah Atas (SMA) 3/Certificate of Graduation with School Result /National exam. Please check the web.
- Malaysia** Sijil Tinggi Persekolahan Malaysia (STPM) (Malaysian Higher School Certificate Examination) aggregate score over best three A level subjects (excluding General Paper): where A/A-=5; B+=4; B=3; B-/C+=2; C=1; less than C=0.
- IELTS** Overall score (sub-score). For Example 6.5(6.0) means an overall score 6.5 is required, with no sub-score below 6.0.

Scholarships and financial support

We want you to succeed in your studies. Our scholarships can help you achieve your best through financial support, work experience and exciting networking opportunities. We offer dozens of scholarships to suit a broad range of skills and experience.

As a scholarship student, you are invited to join the QUT College of Excellence. Available to high-achieving students, free membership provides personal and professional development programs to enrich your university experience.

Find the scholarship that takes your success to the next level.

SCHOLARSHIP	BENEFITS	ELIGIBILITY
International Merit Scholarship	Scholarship to cover 25% of your tuition fees for your first two semesters of study at QUT.	International students who have completed a qualifying course with the required academic results must: <ul style="list-style-type: none"> • meet the minimum English language entry requirements or equivalent for direct admission • apply for and be accepted into one of the eligible courses offered at QUT. Please refer to qut.edu.au/scholarships/international-merit-scholarship
English Language Concession (QUT College)	Reduction of 25% from the tuition fee of your English for Academic Purposes (EAP) program.	Must be an international student from one of the nominated countries in Asia, Europe, Latin America, and the Middle East. For the list of countries and eligibility requirements, please refer to qut.edu.au/scholarships/english-language-concession
QUT College Merit Scholarship	<ul style="list-style-type: none"> • AUD\$2600 of the first semester tuition fee for Foundation program or • AUD\$3120 of the first semester tuition fee for Diploma program 	International students with an Australian Tertiary Admission Rank (ATAR) who: <ul style="list-style-type: none"> • have completed ATAR within Australia or overseas, and received an Australian Tertiary Admission Rank (ATAR) of 70, or higher • meet all of the course entry requirements and have received a QUT offer letter for one of the following courses: Diploma in Creative Industries Diploma in Health Science, Diploma in Business, Diploma in Engineering, Diploma in Information Technology • International students with an overseas qualification (other than ATAR) • have completed the most recent academic qualification outside Australia with the required academic result • meet all of the course entry requirements and have received a QUT offer letter for one of the following courses: Diploma in Creative Industries Diploma in Health Science, Diploma in Business, Diploma in Engineering, Diploma in Information Technology, Standard Foundation, Extended Foundation. Please refer to qut.edu.au/scholarships/international-college-pathway
QUT Postgraduate Research Award (QUTPRA) International Scholarship	<ul style="list-style-type: none"> • A living allowance for three years, indexed annually (AU\$28 597 in 2021). The scholarship is for full-time students, and can be used to support living costs. • International students may also receive a research degree tuition fee sponsorship. 	International students must: <ul style="list-style-type: none"> • meet the admission criteria for PhD • apply for and be accepted into a PhD or professional doctorate • meet the English language proficiency requirements by the advertised closing date for QUT's annual scholarship round. Please refer to qut.edu.au/study/fees-and-scholarships/scholarships/qut-postgraduate-research-award-qutpra-international

Anuka Bulankulame

Bachelor of Engineering (Honours)

I received the merit scholarship which enabled me to start my journey studying at QUT. It also removed the financial burden on my parents which was a big help. QUT staff were very helpful and supportive. I really enjoy the practical aspects of my studies that are preparing me for the real world. QUT has a great diversity of people and skills from whom you can learn a lot. This is part of a great experience which I'm very thankful for.

Ready to apply?

We want to make applying to QUT as easy as possible. Follow this step-by-step guide carefully to ensure your application is processed correctly.

1

Choose your course and check entry requirements

Look for the course you want to study in this guide or at qut.edu.au/study/international

Check the course information for academic and English entry requirements. This includes any additional requirements like auditions, interviews or portfolios.

We have a range of English or pathway programs that can be combined with your preferred course if you do not meet the necessary entry requirements. Visit qut.edu.au/study/qut-college

2

Check application closing date and course start

Some courses with additional requirements have specific closing dates. Make sure you check these in your course information.

Use QUT's key dates and academic calendar to check the start dates for your course.

Scan the QR code for key dates calendar

3

Submit your application

You can apply directly to QUT or through an agent.

We have a global network of official education representatives to help you apply to QUT. They can provide information about our programs, as well as about the application process and student visas.

A QUT official education representative is required for applicants from certain countries. Visit our website for more information about how to find an agent.

You can apply directly via the QUT Application Portal where you will be required to upload your certified supporting documents.

Once your application has been submitted, you can easily track its progress via the QUT Application Portal.

Scan the QR code for agents (find a QUT international representative)

Scan the QR code for QUT Application Portal

4

Accept your offer

If your application is successful, we'll send you your offer directly or to your agent if you used one.

If you applied through an agent, they will guide you through the steps to accept your offer and pay your fees. If you applied directly, log in to the QUT Application Portal where you can complete the acceptance of offer form and make payment.

Once your acceptance is finalised, we will send a Confirmation of Enrolment (CoE) to you directly or to your agent if you used one. If you require a student visa, you can then use your CoE to apply for one.

If you are an international Year 12 student studying an Australian curriculum—either in Australia or overseas—follow the application process for international Year 12 students.

Scan the QR code for application process for international Year 12 students
